IQHA 2012 Breeders Futurity & Stallion Auction General Rules

Iowa Quarter Horse Association (IQHA) Breeder's Futurity and Stallion Auction are functions of the Iowa Quarter Horse Association. Any rules here-with can be changed, added to, or denied at the discretion of the Board of Directors of the Iowa Quarter Horse Association.

STALLION AUCTION -1). Stallion owner is responsible for listing all fees beyond normal breeding expenses on the Stallion agreement and information sheet.

2). Stallion owners may show one colt for each stallion entry (i.e. if the stallion owner put his stallion in one time he would have one foal eligible for nomination, if he put his stallion in the auction two times he would have two foals eligible for nomination). The stallion service fee must sell by June 1st in order for the stallion owner to have an eligible entry. If it does not sell the stallion owner forfeits his entry.

3). The stallion and mare owners will still be responsible for nominating their mare and entering the foal. 4). Purchaser of stallion fee will be charged \$35.00 for an IQHA membership if not a current member at the time of sale.

5). Auction expenses will be pro-rated between Halter Division and Performance Division based on the designation of the stallion. IQHYA will receive \$1000.00 for clerking the auction.

ELIGIBILITY - Only foals resulting from a stallion's service purchased at the IQHA Breeder's Futurity Stallion Auction and properly nominated will be eligible for this futurity.

RETURN SERVICES 1). Should a mare not conceive the first year of service, the mare will be given return service the second year. In case of death of original mare or should she prove unbreedable a substitute mare will be accepted. Money from the stallion service fee auction will remain in the year purchased but foal will be moved to his year of eligibility. Only registered Quarter Horse mares (with a number) will be accepted by this committee for nomination in the Futurity. Cropouts resulting from AQHA registered parents are eligible to show with APHA papers. Persons wanting to breed other than Quarter Horse mares (i.e. paints, appaloosa, etc.) must seek approval from stallion owner and resulting foal WILL NOT be eligible for either futurity. 2). Contract does not call for third year privileges, however, if stallion owner is willing to perform service the third year it will be acceptable to the committee. 3). If, due to extenuating circumstances, concerning a return privilege, death of mare, or should she prove unbreedable, committee will meet to discuss the matter and make a ruling. 4). In the event a mare aborts, or death of a foal at time of foaling, the owner will be allowed to substitute a second mare before the second mare foals, or the option to go back the next year. You must send a certificate from the vet to certify. This must occur immediately upon the death of the foal. In the event of a colt born with a genetic disability, owner would immediately need to notify the Futurity Chairperson and also within 10 days of birth send proper verification including vet certificate. It will then be taken to the Board of Directors for a decision regarding a carryover.

CREDITS- In event of death of a stallion or should he become unserviceable, or should stallion owner, manager, or lessee refuse to honor contract for any reason, credit will be given to purchaser for the following year or years for the same amount on another breeding fee through the auction. There will be no refunds.

UNSOLD SERVICES - Service fees not sold on the auction can be sold by committee to a qualified purchaser up to June 1st for 60% of the advertised fee or a minimum of \$350.00. Second fees must sell for the same amount first fee sold for at the auction. Private treaty horses will start at \$500.00

unless stallion owner requested otherwise prior to the auction with a minimum of \$350.00.

PRIZE MONEY - Stallion Owner will designate where the money from the service fee on his horse will be placed, whether 100% to Halter Division OR 100% to Performance Division OR 50% to Performance Division and 50% to Halter Division. Regardless of how the money is designated the resulting foals if duly nominated are eligible for all divisions of the Breeder's Futurity regardless of the assignment of proceeds. All proceeds from the sale of these services, less \$25.00 office charge, and penalties and interest income will be used as "Prize Money" less actual auction and futurity expenses and awards (not to exceed 20% of the proceeds).

MARE NOMINATION - Nomination of the mare must be made by November 1 of the year the mare is bred. Nomination fee of \$20.00 is required.

EXHIBITION - The IQHA Breeder's Futurity will be held each year at such a place as may be designated by the IQHA Board of Directors. Qualified AQHA approved judges will judge all classes. Owner and Exhibitor of colts at time shown must be a current member of IQHA. A complete Photostat copy of the eligible horse's AQHA or APHA application papers must be sent to the Futurity Chairperson by August 1 of the year foaled. Foal WILL NOT be eligible if the aforementioned requirement is not fulfilled. Papers may be checked at the gate the day of show. A copy of the original AQHA or APHA registration papers must be sent to the IQHA office and verification of papers will be made with AQHA and APHA before any prize money is paid.

Bo has sired 98 foals with 26 performers earning mainly halter points (82.5 Open, 82 Amateur, 6.5 Youth). How D Rockin Bonanza won 4th place Amateur 2 Year Old Stallion at the AQHA World Show; How D Rockin Sis qualified for the Select and/or World Show each year 2009-2011, in 2010 she was Open High Point Senior Halter Mare 6th place with very limited showing. His foals have the classic Tee Jay Roman profile, great dispositions, and are athletic. Looking through his get, I saw an All Around winner and several horses that were participants in AQHA's Horseback Riding Program. How TGI Friday is a 2 year old stallion (in 2011) by Bo that we've started under saddle and are bringing along slowly, as Ella has time around her work schedule - next year should be fun! If you want to raise a foal to show or just enjoy on the trails, Bo can help you achieve your goal.

Machine Made is one of the best performing sons of A Good Machine. He is a four year old, approximately 15.1 tall, big bodied, beautiful headed, very well put together, great minded, bay stallion that has earned over \$31,000 to date. He was just named the Reserve Champion in Junior Western Pleasure at the Congress this year. He placed 3rd at the Congress in 2010 in 3 Year Old Open Western Pleasure Derby as well as multiple other wins throughout the year. He was the 2011 NSBA World Champion in Junior Western Riding. The link to watch the video of his winnign run at the NSBA World Show in Western Riding is <http://youtube.com/watch?v=oHnzoRsl2nA>. Machine Made has an absolutely stellar dam, Gypsys Little Image, who is by Good Version. She was Reserve World Champion in Senior Western Pleasure in 2006 and has over 600 points. She is the dam of 4 foals, 3 performers and one just a weanling. Having the dam side of the pedigree being so strong is invaluable when choosing a stallion with whom to breed your mare as well as when you're marketing the foals.
