IQHA 2011 Breeders Futurity & Stallion Auction General Rules

Iowa Quarter Horse Association (IQHA) Breeder's Futurity and Stallion Auction are functions of the Iowa Quarter Horse Association. Any rules herewith can be changed, added to, or denied at the discretion of the Board of Directors of the Iowa Quarter Horse Association.

STALLION AUCTION -1). Stallion owner is responsible for listing all fees beyond normal breeding expenses on the Stallion agreement and information sheet.

2). Stallion owners may show one colt for each stallion entry (i.e. if the stallion owner put his stallion in one time he would have one foal eligible for nomination, if he put his stallion in the auction two times he would have two foals eligible for nomination). The stallion service fee must sell by June 1st in order for the stallion owner to have an eligible entry. If it does not sell the stallion owner forfeits his entry. 3). The stallion and mare owners will still be responsible for nominating their mare and entering the foal. 4). Purchaser of stallion fee will be charged \$35.00 for an IQHA membership if not a current member at the time of sale. 5). Auction expenses will be pro-rated between Halter Division and Performance Division based on the designation of the stallion. IQHYA will receive \$1000.00 for clerking the auction.

ELIGIBILITY - Only foals resulting from a stallion's service purchased at the IQHA Breeder's Futurity Stallion Auction and properly nominated will be eligible for this futurity.

RETURN SERVICES 1). Should a mare not conceive the first year of service, the mare will be given return service the second year. In case of death of original mare or should she prove unbreedable a substitute mare will be accepted. Money from the stallion service fee auction will remain in the year purchased but foal will be moved to his year of eligibility. Only registered Quarter Horse mares (with a number) will be accepted by this committee for nomination in the Futurity. Cropouts resulting from AQHA registered parents are eligible to show with APHA papers. Persons wanting to breed other than Quarter Horse mares (i.e. paints, appaloosa, etc.) must seek approval from stallion owner and resulting foal WILL NOT be eligible for either futurity. 2). Contract does not call for third year privileges, however, if stallion owner is willing to perform service the third year it will be acceptable to the committee. 3). If, due to extenuating circumstances, concerning a return privilege, death of mare, or should she prove unbreedable, committee will meet to discuss the matter and make a ruling. 4). In the event a mare aborts, or death of a foal at time of foaling, the owner will be allowed to substitute a second mare before the second mare foals, or the option to go back the next year. You must send a certificate from the vet to certify. This must occur immediately upon the death of the foal. In the event of a colt born with a genetic disability, owner would immediately need to notify the Futurity Chairperson and also within 10 days of birth send proper verification including vet certificate. It will then be taken to the Board of Directors for a decision regarding a carryover.

CREDITS- In event of death of a stallion or should he become unserviceable, or should stallion owner, manager, or lessee refuse to honor contract for any reason, credit will be given to purchaser for the following year or years for the same amount on another breeding fee through the auction. There will be no refunds.

UNSOLD SERVICES - Service fees not sold on the auction can be sold by committee to a qualified purchaser up to June 1st for 60% of the advertised fee or a minimum of \$350.00. Second fees must sell for the same amount first fee sold for at the auction. Private treaty horses will start at \$500.00 unless stallion owner requested otherwise prior to the auction with a minimum of \$350.00

PRIZE MONEY - Stallion Owner will designate where the money from the service fee on his horse will be placed, whether 100% to Halter Division OR

100% to Performance Division OR 50% to Performance Division and 50% to Halter Division. Regardless of how the money is designated the resulting foals if duly nominated are eligible for all divisions of the Breeder's Futurity regardless of the assignment of proceeds. All proceeds from the sale of these services, less \$25.00 office charge, and penalties and interest income will be used as "Prize Money" less actual auction and futurity expenses and awards (not to exceed 20% of the proceeds).

MARE NOMINATION - Nomination of the mare must be made by November 1 of the year the mare is bred. Nomination fee of \$20.00 is required.

EXHIBITION - The IQHA Breeder's Futurity will be held each year at such a place as may be designated by the IQHA Board of Directors. Qualified AQHA approved judges will judge all classes. Owner and Exhibitor of colts at time shown must be a current member of IQHA. A complete Photostat copy of the eligible horse's AQHA or APHA application papers must be sent to the Futurity Chairperson by August 1 of the year foaled. Foal WILL NOT be eligible if the aforementioned requirement is not fulfilled. Papers may be checked at the gate the day of show. A copy of the original AQHA or APHA registration papers must be sent to the IQHA office and verification of papers will be made with AQHA and APHA before any prize money is paid.

Hotroddin Dundee, aka Cowboy, is a 1997 dun stallion by Hotroddin Zipper out of a Sierras Sonny mare. Cowboy is a horse that has gone both sides of the show pen, before performance halter was introduced to the show bill. He has halter points, with a few grands and reserves to brag about. His record in the western pleasure speaks well of his ability, with points also in that genre. The Cowboy babies are talented, great legged and with fabulous minds. Cowboy has produced three world champions - one halter champion and two western pleasure champions. Other offspring are doing great in the show pens also. Please come and meet him at Penwheel Ranch at Stuart, Iowa.
