[  ] 2007 World Show Team

[  ] 2007 Congress NYATT Team

I would like to nominate myself for qualification for the above checked teams for 2007. I have paid my IQHA Membership (\$10) and my sponsorship (\$50).

I understand that I must meet participation requirements earning two (2) participation points before the qualifying deadline. I may earn one (1) point by attending an IQHYA General Membership Meeting and I can earn one (1) point by participating in an IQHYA Fundraising Project in order to be eligible for World Show or Congress Qualification. I must *also* participate in our AQHA Ford Truck Raffle Ticket Sale by selling a *minimum* of 20 tickets and turning them in before the deadline.

In the event that I earn AQHA National Qualification for the World Show I understand that I still must meet the above participation requirements in order to participate and receive the World Show Team benefits. World Show National Qualifiers earn automatic qualification for the Congress NYATT teams if they qualify in classes offered in the NYATT. The AQHA National Qualifying Period is May 1, 2006 – April 30, 2007.

The 2007 Qualification Period for the Congress NYATT will be August 2, 2006 through August 1, 2007. For either event, my best six (6) shows will be counted. Note National Qualifiers for AQHYA World Show earn an automatic invitation to Congress NYATT but they must file a Congress Letter of Intent by May 1.
