

## **2016 IQHA Online Bidding Terms & Conditions**

### **Extended Bidding:**

IQHA is excited to announce extended bidding! This allows bidders to easily bid on more than one stallion at a time!

### **Here is how it works:**

When a bid is placed within the last 0 minutes of the end of the auction, that stallion's listing will have its own countdown timer showing how much time is left to continue bidding. This will extend PAST the main website end time.

Any time another bid is placed within the 3 minutes, the countdown timer resets to another 3 minutes again. This will continue until someone stops bidding and the last bidder is the Winner!

### **Payment**

The winning bidder for each breeding must submit a check made out to the IQHA Breeder's Futurity or pay by credit card within 5 business days of the auction closure January 30th, 2016.

**A 3% service fee will be assessed on all credit card transactions.**

If payment is not received in full within five (5) days from the auction close date the IQHA may, at its own discretion sell the stallion service to the next highest bidder, relist the stallion service or exercise any action necessary to collect moneys due. A bid is a binding agreement to pay.

**Mail checks to: IQHA C/O, Jennifer Sheriff, 1129 Cerro Gordo St. Sheffield, IA 50475.**

## **Iowa Quarter Horse Association Breeder's Futurity & Stallion Auction 2016 General Rules**

Iowa Quarter Horse Association (IQHA) Breeder's Futurity and Stallion Auction are functions of the Iowa Quarter Horse Association. Any rules herewith can be changed, added to, or denied at the discretion of the Board of Directors of the Iowa Quarter Horse Association.

**STALLION AUCTION** -1). Stallion owner is responsible for listing all fees beyond normal breeding expenses on the Stallion agreement form.

2). Stallion owners may only donate one stallion service fee and show one colt for their donation. The stallion service fee must sell by June 1st in order for the stallion owner to have an eligible entry. If it does not sell the stallion owner forfeits his entry. 3). The stallion and mare owners will still be responsible for nominating their mare and entering the foal. 4). Purchaser of stallion fee will be charged \$40.00 for an IQHA membership if not a current member at the time of sale. 5). Auction expenses will be pro-rated between Halter Division and Performance Division based on the designation of the stallion.

**ELIGIBILITY** - Only foals resulting from a stallion's service fee purchased at the IQHA Breeder's Futurity Stallion Auction and properly nominated will be eligible for this futurity.

**RETURN SERVICES** 1). Should a mare not conceive the first year of service, the mare will be given return service the second year. In case of death of original mare or should she prove unbreedable a substitute mare will be accepted. Money from the stallion service fee auction will remain in the year purchased but foal will be moved to his year of eligibility. Only registered Quarter Horse mares (with a number) will be accepted by this committee for nomination in the Futurity. Persons wanting to breed other than Quarter Horse mares (i.e. paints, appaloosa, etc.) must seek approval from stallion owner and resulting foal WILL NOT be eligible for either futurity. 2). Contract does not call for third year privileges, however, if stallion owner is willing to perform service the third year it will be acceptable to the committee. 3). If, due to extenuating circumstances, concerning a return privilege, death of mare, or should she prove unbreedable, committee will meet to discuss the matter and make a ruling. 4). In the event a mare aborts, or death of a foal at time of foaling, the owner will be allowed to substitute a second mare before the second mare foals, or the option to go back the next year. You must send a certificate from the vet to certify. This must occur immediately upon the death of the foal. In the event of a colt born with a genetic disability, owner would immediately need to notify the Futurity Chairperson and also within 10 days of birth send proper verification including vet certificate. It will then be taken to the Board of Directors for a decision regarding a carryover.

**CREDITS**- In event of death of a stallion or should he become unserviceable, or should stallion owner, manager, or lessee refuse to honor contract for any reason, credit will be given to purchaser for the following year or years for the same amount on another breeding fee through the auction. There will be no refunds.

**UNSOLD SERVICES** - Service fees not sold on the auction can be sold by committee to a qualified purchaser up to June 1st for \$50.00 plus 60% of the advertised fee or a minimum of \$400.00. Private treaty horses will start at \$500.00 unless stallion owner requested otherwise prior to the auction with a minimum of \$350.00 if sold at the auction or a minimum of \$400 if sold after the auction

**PRIZE MONEY** - Stallion Owner will designate where the money from the service fee on his horse will be placed, whether 100% to Halter Division OR 100% to Performance Division OR 50% to Performance Division and 50% to Halter Division. Regardless of how the money is designated the resulting foals if duly nominated are eligible for all divisions of the Breeder's Futurity regardless of the

assignment of proceeds. All proceeds from the sale of these services, entries, penalties and interest income will be used as "Prize Money" less \$25.00 office charge and less 15% which is used for auction expense, futurity expenses and awards.

**MARE NOMINATION** - Nomination of the mare must be made by December 1 of the year the mare is bred. Nomination fee of \$50.00 (\$20 office charge/ \$30 purse fund) is required. Mare nominations postmarked December 2 to December 31 will require a late fee of \$25.00. *Mare nominations after the December 31 deadline are accepted if accompanied by a veterinary certificate stating the mare has not foaled yet and will have a late penalty of \$100.00.*
