Iowa Quarter Horse Association Breeders Futurity and Stallion Auction 2019 General Rules

Iowa Quarter Horse Association (IQHA) Breeder Futurity and Stallion Auction are functions of the Iowa Quarter Horse Association. **Any rules herewith can be changed, added to, or denied at the discretion of the Board of Directors of the Iowa Quarter Horse Association.**

STALLION AUCTION

1. Stallion owner is responsible for listing all fees beyond normal breeding expenses on the Stallion Agreement Form.
2. Stallion owners may nominate/show one (1) foal for each stallion service donated and sold (i.e. if the stallion owner put the stallion in one (1) time they would have one (1) mare/foal eligible form nomination. If the stallion owner puts the stallion in two (2) times, they would have two (2) mares/foals eligible for nomination). **The stallion service fee must sell by June 1st for the stallion owner to have an eligible entry. If the service does not sell, the stallion owner forfeits their entry or entries.**
3. The stallion owners and mare owners will still be responsible for nominating their mare and entering the foal(s).
4. The purchaser of the stallion fee will be charged an IQHA membership if not a current member at the time of sale.
5. Auction expense will be prorated between Halter Division and Performance Division based on the designated of the stallion.
6. Beginning in 2019, 10% of the winnings of each foal will be paid to stallion owner of said foals.

ELIGIBILITY – Only foals resulting from a stallion’s service fee purchased at the IQHA Breeders Futurity Stallion Auction and properly nominated will be eligible for this futurity.

RETURN SERVICES

1. Should a mare not conceive the first year of service, the mare will be given return service the second year. In case of death of original mare or should she prove unbreedable a substitute mare will be accepted. Money from the stallion service fee auction will remain in the year purchased but foal will be moved to his year of eligibility. Only registered Quarter Horse mares (with an AQHA number) will be accepted by this committee for nomination in the Futurity. Persons wanting to breed other than quarter horse mares (i.e. Paints, Appaloosas, etc.) must seek approval from the stallion owner and resulting foal **WILL NOT** be eligible to enter the futurity.
2. Contract does not call for third year privileges, however, if stallion owner is willing to perform service the third year, it will be acceptable to the committee.
3. If, due to extenuating circumstances, concerning a return privilege, death of mare, or should she prove unbreedable, the matter will be referred to the board of directors to make a ruling.
4. In the event of a mare aborts, or death of a foal at the time of foaling, the owner will be allowed to substitute a second mare before the second mare foals, or have the option to go back the following year. Mare owner must send a certificate from the vet to certify. This must occur immediately upon the death of the foal. In the event of a foal born with a genetic disability, owner would notify the Futurity Chairperson and within 10 days of birth also send proper verification including vet certificate. All other extenuating circumstances resulting in the death of a foal may be brought to the board for any decisions resulting in carryovers or substitutions.

CREDITS – In the event of death of a stallion, stallion become unserviceable or should stallion owner, manager or lessee refuse to honor contract for any reason, credit will be given to purchaser for the following year or years for the same amount on another breeding fee through the auction. There will be no refunds.

2019 World Show Two Year Old
 Western Pleasure Incentive

The VSAG Legacy World Show Two Year Old Western Pleasure Incentive was created to honor the legacy left by VITAL SIGNS ARE GOOD, through her sons VS CODE RED and VS FLATLINE. The Glover Galyean Partnership will pay \$25,000 to the highest placing eligible VS CODE RED or VS FLATLINE offspring in the 2019 AQHA World Championship Show Two Year Old Western Pleasure. To be eligible for the incentive, entry must be sired by either VS CODE RED or VS FLATLINE and owner of the entry must have a 2019 paid (in full) breeding to either VS CODE RED or VS FLATLINE (excluding rebreds, futurities or discounts).

"The World Show is where we first laid eyes on Lucy (Vital Signs Are Good)," recalls Debbie Glover. "It made sense to have her legacy honored where it all started for us."

"We designed this incentive to bring excitement to the western pleasure industry, while giving back to the mare owners, breeders and trainers who continue to make champions by VS CODE RED and VS FLATLINE, carrying on Lucy's legacy," explains Kristen Galyean.

*If we do not have an eligible winner in 2019, the \$25,000 will carry over to the 2020 AQHA World Show.
