### **Iowa Quarter Horse Association Breeders Futurity and Stallion Auction 2020 General Rules**

Iowa Quarter Horse Association (IQHA) Breeders Futurity and Stallion Auction are functions of the Iowa Quarter Horse Association. Any rules herewith can be changed, added to, or denied at the discretion of the Board of Directors of the Iowa Quarter Horse Association.

### **STALLION AUCTION**

1. Stallion owner is responsible for listing all fees beyond normal breeding expenses on the Stallion Agreement Form.
2. Stallion owners may nominate/show one (1) foal for each stallion service donated and sold (i.e. if the stallion owner put the stallion in one (1) time they would have one (1) mare/foal eligible for nomination. If the stallion owner puts the stallion in two (2) times, they would have two (2) mares/foals eligible for nomination). The stallion service fee must sell by June 1<sup>st</sup> for the stallion owner to have an eligible entry. If the service does not sell, the stallion owner forfeits their entry or entries.
3. The stallion owners and mare owners will still be responsible for nominating their mare and entering the foal(s) and submitting the required paperwork/forms. Failure to submit required paperwork/forms will result in an ineligible entry.
4. The purchaser of the stallion fee will be charged an IQHA membership if not a current member at the time of sale.
5. Beginning in 2019, 10% of the winnings of each foal will be paid to breeding stallion owner.

**ELIGIBILITY** – Only foals resulting from a stallion’s service fee purchased from the IQHA Breeders Futurity Stallion Auction and properly nominated will be eligible for this futurity.

#### **RETURN SERVICES**

1. Should a mare not conceive the first year of service, the mare will be given return service the second year. To remain eligible, the open mare nomination form must be completed and sent in with the appropriate fee by December 31st of the current year. In case of death of original mare or should she prove unbreedable a substitute mare will be accepted. Money from the stallion service fee auction money will be moved to the following year. Only registered Quarter Horse mares (with an AQHA number) will be accepted by this committee for nomination in the Futurity. Persons wanting to breed other than quarter horse mares (i.e. Paints, Appaloosas, etc.) must seek approval from the stallion owner and resulting foal WILL NOT be eligible to enter the futurity.
2. Contract will allow only 3 years for carryover as long as the stallion owner is willing to perform service the third year, it will be acceptable to the committee. The mare nomination is due each year to maintain eligibility as well as the carryover mare nomination. The nomination must be paid prior to that years auction weanling show.
3. If, due to extenuating circumstances, concerning a return privilege, death of mare, or should she prove unbreedable, the matter will be referred to the board of directors prior to the futurity show to make a ruling.
4. In the event of a mare aborts, or death of a foal at the time of foaling, the owner will be allowed to substitute a second mare before the second mare foals, or have the option to go back the following year. Mare owner must send a certificate from the vet to certify. This must occur immediately upon the death of the foal. In the event of a foal born with a genetic disability, owner would notify the Breeders Futurity Committee at the time of death and/or discovery and send proper verification including vet certificate indicating the new mares information. All other extenuating circumstances resulting in the death of a foal may be brought to the board for any decisions resulting in carryovers or substitutions.

**CREDITS** – In the event of death of a stallion, stallion become unserviceable or should stallion owner, manager or lessee refuse to honor contract for any reason, credit will be given to purchaser for the following year or years for the same amount on another breeding fee through the auction. The credit will be removed from the auction year sold to the year that results in the successful breeding.

**UNSOLD SERVICES** – Service fees not sold on the auction are available for purchase up to June 1, 2020, for 60% of the advertised fee plus \$50.00 or a minimum of \$400.00. Private treaty horses will start at \$500.00 unless stallion owner requested otherwise prior to the auction with a minimum of \$350.00 if sold during the auction or a minimum of \$400.00 if sold after the auction.

stallion owner does not designate on the stallion form, the Breeder's Futurity committee will make that determination.

All proceeds from the sale of these services, (entries, mare nomination fees, late fees and interest income) will be used as "Prize Money" less \$25.00 office charge which is used for auction expense, futurity expenses and awards and not to exceed 20%.

A \$20 office charge will be put into the general breeders account from the nomination fee. The proceeds will be split by the stallion designation that the mare is bred to and put into the appropriate account.

**EXHIBITION** – The IQHA Breeders Futurity will be held each year at such a place as may be designated by the IQHA Board of Directors. The Breeders Futurity will be run according to AQHA rules.
