

Registration Information for Bidders:

Persons planning on bidding on any of the Stallions available on the Iowa Quarter Horse Association Breeders Stallion Service Auction will need to register at DV Auction's website.

To Register:

<https://www.dvauction.com/register>

If you don't already have an account with DV Auction, each bidder will need to create a "new" DV Auction account.

1. Use your Email Address as your Username
2. Create a Password
3. Enter your contact information

Part of registering and creating a new account is providing DV Auction payment information. DV Auction will not be charging your credit card for your final bid if you are the winner of one or more stallion services. IQHA will contact you for payment of your purchase if you are the winning bidder.

4. Please "check" the box for using a credit card and fill in your credit card information.

At the bottom of the registration page are two boxes that you can check for "outbid notification."
(I suggest you check at least one of these boxes.)

- a. Send email outbid notifications, and/or
- b. Text (send) SMS outbid notifications

5. Important: must check the box to accept Privacy Policy and Terms and Conditions.
6. Once you've completed all the information and checked all the boxes, select the **CREATE ACCOUNT** tab.

Tip: The auction will open for bids at 7 PM Friday, January 8, 2021 and closes at 8 PM Sunday, January 10, 2021. **THIS DOES NOT MEAN BIDDING HAS STOPPED!** The auction will stay open for all stallions for 5 more minutes anytime a stallion receives a bid. EXAMPLE: If a bid is received on Lot #3 at 7:59 PM Sunday, January 10th, the auction will stay open on all stallions an additional 5 minutes until 8:04 PM. If another bid is received on "any" stallion the auction will automatically be extended for another 5 minutes for all stallions. IQHA highly recommends you check one of the notification boxes so you don't miss the opportunity to increase your bid or to bid on another stallion. Below is the link to the IQHA Stallion Service Auction page (on DV Auction's website) where you can bid.

General Information: **High speed internet** is required for successful bidding – be sure to check the lag-time monitor in the top left corner to ensure real-time broadcast. **Proxy bidding:** If you can't make the time to watch the sale, register a proxy bid and let our system represent your bid. Look for the "proxy bid" tab on the auction listing and fill in your maximum bids. **Having trouble?** You can type a message to the operator at any time for assistance or contact our **Customer Service Support Team at 402-316-5460.**
