IQHA Breeder's Stallion Auction 2022 General Rules

PURPOSE

The IQHA Breeder's Stallion Auction offers the opportunity to stallion owners to donate a service or services of their stallion(s) to this program for purchase by others to breed their mare's to. The resulting foals of this breeding are then eligible to participate in the IQHA Breeder's Futurity Classes that are held at the Fall Classic Show. The stallion owner can also enroll a foal by that stallion into the program one per each sold stallion fee. Foals by the donated stallions are also eligible to participate in the IQHA Breeder's Incentive Futurity Program. The IQHA Breeder's Futurity & the IQHA Breeder's Incentive Futurity Programs are designed to showcase the offspring of these stallions in both halter & performance divisions.

STALLION OWNERS

1. To donate your stallion(s) service(s), please contact IQHA by email at iowaqha@gmail.com or contact anyone on the IQHA Breeder's Stallion Auction committee, their contact information can be found on our website at www.iowaquarterhorse.com, click on the "About" tab, then click on the "Committees" tab.
2. The stallion owner/agent is responsible for filling out the Stallion Agreement Form, found on our website, completely & must list all fees beyond normal breeding expenses on that form. The stallion owner will designate where the money from the service fee(s) on their stallion will be placed, whether 100% to the Halter Division, 100% to the Performance Division or 50% to the Halter division & 50% to the Performance Division. Regardless of how the money is designated the resulting foals, if duly nominated, are eligible for all divisions of the Breeder's Futurity regardless of the assignment of proceeds. If the stallion owner/agent does not designate on the stallion form, the Breeder's Futurity committee will make that determination.
3. Service fees on the auction will start at 60% of the advertised fee or a minimum of \$350.00. Private treaty horses will start at \$500.00 unless stallion owner requests otherwise prior to the auction.
4. Stallion owners may nominate/show one (1) foal for each stallion service donated and sold (i.e. if the stallion owner put the stallion in one (1) time they would have one (1) mare/foal eligible form nomination. If the stallion owner puts the stallion in two (2) times, they would have two (2) mares/foals eligible for nomination). The stallion service fee must sell by August 1, 2022, for the stallion owner to have an eligible entry. If the service does not sell, the stallion owner forfeits their entry or entries but could still participate in the IQHA Breeder's Incentive Futurity for a fee, see rules for that program on our website.
5. The stallion owners are responsible for nominating their mare(s) and entering the eligible foal(s) by filling out the required paperwork/forms & submitting with the correct fees. Failure to submit required paperwork/forms will result in an ineligible entry.
6. 10% of the winnings of each foal in the Breeder's Futurity Classes will be paid to stallion owner of said foals.
7. 10% of the total sales from the auction will be put into the General Breeder's account to use for expenses & awards.

Mail checks to: IQHA, Attn: Brian Hamrick, 720 Merritt Rd., Springville, IA 52336.
4. The purchaser of the stallion fee will be charged an IQHA membership if not a current member at the time of sale.

9. 10% of the total sales from the auction will be put into the General Breeder's account to use for expenses & awards.

Return Services

1. Should a mare not conceive the first year of service, the mare will be given return service the second year. **To remain eligible, the open mare nomination form must be completed and sent in with the appropriate fee by December 1st of the current year for the lowest payment amount**, see "Mare Nomination" section. In case of death of original mare or should she prove unbreedable a substitute mare will be accepted. Money from the stallion service fee auction money will be moved to the following year. Only registered Quarter Horse mares (with an AQHA number) will be accepted by this committee for nomination in the IQHA Breeder's Futurity. Persons wanting to breed other than Quarter Horse mares (i.e. Paints, Appaloosas, etc.) must seek approval from the stallion owner and resulting foal **WILL NOT** be eligible to enter the futurity.
2. Contract will allow only 3 years for carryover as long as the stallion owner is willing to perform service the third year, it will be acceptable to the committee. **The mare nomination is due each year to maintain eligibility regardless if the mare is bred or open that year**, see "Mare Nomination" section. The nomination must be paid prior to the original purchase year's auction weaning class for the IQHA Breeder's Futurity.

3. If, due to extenuating circumstances, concerning a return privilege, death of mare, or should she prove unbreedable, the matter will be referred to the board of directors to make a ruling.

Return Services (cont'd)

4. In the event of a mare aborts, or death of a foal at the time of foaling, the mare owner will be allowed to substitute a second mare before the second mare foals or have the option to re-breed the following year. Mare owner must send a certificate from the vet to certify. This must occur immediately upon the death of the foal. In the event of a foal born with a genetic disability, owner would notify the Breeders Futurity Committee at the time of death and/or discovery and send proper verification including vet certificate indicating the new mare's information. All other extenuating circumstances resulting in the death of a foal may be brought to the board for any decisions resulting in carryovers or substitutions.

Credits

In the event of death of a stallion, stallion become unserviceable, or should stallion owner, manager or lessee refuse to honor contract for any reason, credit will be given to purchaser for the following year or years for the same amount on another breeding fee through the auction.
